

DRUG ALERT

CLASS 2 MEDICINES RECALL

Action Within 48 Hours
Pharmacy/Wholesaler Level Recall

Date: 29 July 2020

EL (20)A/34

Our Ref: MDR 172-06/20

Dear Healthcare Professional,

Kyowa Kirin Limited

Abstral 200 microgram sublingual tablets

PL 16508/0031

Batch Number	Expiry Date	Pack Size	First Distributed
608777302	31 July 2021	30	24 Dec 2019

Active pharmaceutical ingredient: Fentanyl citrate

Brief description of the problem

Kyowa Kirin Limited is recalling the above batch as a precautionary measure, due to the reports of double tablets in a single blister pocket. This was identified during reference sample inspection and there is a potential low risk of accidental double dosage.

Advice for healthcare professionals

Stop supplying the above batch immediately. Quarantine all remaining stock and return it to your supplier using your supplier's approved process.
